

When we think about Motorcycle racing events, one stands out in a league of its own: The Isle of Man TT Race.

Forget restricted track access and 100m gravel runoffs of short circuits. Here the bikes pass you at 180mph+ with nothing but a blade of grass between you and the machine. The slightest mistake on the 37.75 mile course can cost the pilot a podium – or far worse.

The course runs over mountain passes, through narrow forest roads and villages. The bikes corner at speeds in excess of 100mph with nothing but a stone wall as 'runoff'. This is the ultimate test of man and machine.

In conjunction with our specialist local supplier that has featured the Event since 2012, we are proud to offer a well-honed programme. Our supplier is the proud sponsors of several young riders including TT winner James Hiller; the versatile Danny Webb, and the top sidecar team Klaffi Racing – featuring the 7 X world champion Tim Reeves.

We have four packages on offer:

The 'Essentials' Package for guests happy with a more budget accommodation – saving the money for the awesome hospitality experiences we hope!

The 'Mad Sunday' Package staying at the Sefton Hotel for 4 nights taking in the initial two race days and of course Mad Sunday! With this Package, you get the full flavour of the TT and it is cheaper than the 4 night Race Week Package.

The 'Race Week' Package staying at the Sefton Hotel for 4 nights. This is the most popular Package so if you are keen on this Package, you need to be quick and get your booking in real early!

For those guests that want to make the most of the TT Race, we offer an **8 night Superior Package** which basically combines the Mad Sunday & the Race Week Packages.

Ordinary viewing of the racing alongside many parts of the course is free. However, there are many opportunities for much enhanced experiences. We have lined up a full set of options to give you the taste of the TT from everything from the Hedgerows to the top VIP!

If you have the TT on your 'bucket list' but were put off by all the organisation involved, now is the time – just get yourself to the Isle of Man and we will take care of everything for you!

Notes:

Extra Nights can be added for nights prior to 31 May or after 8 June.

Isle of Man TT Saturday Pub Package ~ 1 Jun

Join us for a brilliant way to spend the opening race day of the TT! We head off to a well-loved pub along the race course and drop anchor to watch the action, drink the beer and have a great lunch with fellow bikers and your guide. The package includes admittance, lunch and several "beer coupons". We also provide transport FOC for our package customers. Final venue TBC.

Isle of Man TT "Mad Sunday" Hospitality ~ 2 Jun

Join us in the superb Monster Hospitality pavilion at the paddock for a great way to spend "Mad Sunday". We join a special Mad Sunday Hospitality with guest speakers, food, drink (alcohol is on a pay bar), and lots of things going on! Typically there is either a MotoGP or WorldSBK race which will be screened. You can take a tour of the paddock and generally take in the atmosphere. It's a free evening, but we suggest a walk to the Promenade to join more parties! No children under 14 allowed in the tent. Transport included for all package customers.

Isle of Man TT Monday Hedgerow Tour ~ 3 Jun

See the REAL TT! We take you to one or two of our favourite roadside viewing spots to experience the rush of the bikes like you have never felt before! You are sitting at Cronk-y-voddy with nothing but a blade of grass between you and a 1000cc superbike belting past at 170mph!! The shockwave hits you a split second later and literally takes your breath away! We take you up there, give you a radio and offer a folding chair; plus a sandwich and tea from the Tea Trolley! The rest is for you to savour... (N.b. we are literally on a hedge! Some walking through farmyard/pastures may be required, wear sensible clothes!)

Isle of Man TT Opening Party ~ 4 Jun

Join us to kick off the final portion of the legendary Isle of Man TT! On Tuesday night we kick off race week with a brilliant night of food, drink and special guests. Past guests have included Isle of Man local hero Conor Cummins, ex-Gp star Danny Webb, "Milky" Quayle, Phil McCallen and many more others. This year there will also be a special charity auction for the Joey Dunlop Foundation. Beer/wine/soft drinks and a great buffet awaits. Takes place at the Sefton Hotel. Doors open at 19:00

Isle of Man TT Klaffi Hospitality ~ 5 Jun

You spend the day as a special guest of our sponsored sidecar team Manx Gas Klaffi Racing! Superb hospitality, great stunt show, and you can literally touch the riders from our pit-return lane unit. Former 3 x world champion Klaus Klaffi and his World Championship team of Tim Reeves and Mark Wilkes (subject to change) will be on hand to show us around the bike and garage. Tim is one of the most successful sidecar racers of all time - 7 time world champion, won the British sidecar championship the past four years running and routinely wins road racing events such as the Southern 100.

Isle of Man Guided Track Tour ~ 6 Jun

There is no racing today, so we take advantage of this to take a private tour of the track with an expert, race guide! (a spellbinding James Hillier in 2015). We stop for lunch at the legendary Creg-ny-baa Inn and generally take in the Isle of Man.

Evening is a free programme and a chance for you to explore the astonishing Douglas nightlife during the TT! We usually organise a table at a local restaurant on shared cost basis.

TT Sr Race Day at Creg-ny-baa (optional extra) ~ 7 Jun

Is there a better viewing spot on the Mountain Course than the legendary Creg-ny-baa pub right on the mountain section? What a way to spend the Senior Race Day!

We take you up to the Creg in the morning where we join the lucky few at the private upstairs bar. Open bar for beer/wine/soft drinks all day, a classic pub lunch and an awesome viewing terrace make this the quintessential Isle Of Man experience. We have a private table for 20-30 people only so this will be a sell out so book this at the same time as booking the Package.
